

TUTOR DOCTOR ALBUQUERQUE SCHOLARSHIP FUND DREAM, BELIEVE, ACHIEVE

In early 2011, Tutor Doctor Albuquerque, became an active member in the Albuquerque/Rio Rancho business communities. Since then, we've grown to serve over 1500 students, ages 4 to 66, throughout New Mexico. We've been very locally engaged, supporting numerous community events and have employed over 260 tutors.

As a trusted member of our community, Tutor Doctor Albuquerque is committed to making a positive impact in the lives of the students and families we serve. As educators, we know first-hand how immensely important education is in life. However, our experience and convictions inform us, that education is not the only, or even primary means of achieving success in life.

Our lives have been positively impacted by education, but none more so than our own spiritual transformation. Consistent with our spiritual conviction is the compassion and motivation that we can do more to empower the lives of those we are privileged to serve. For this reason, we are pleased to offer a tutoring service that addresses what we believe are two key foundational elements for success in life-sound spiritual well-being and educational excellence.

If you recognize your own need for academic and spiritual growth, we have an amazing program of dedicated tutors who are committed to supporting you-the whole you! Life is more than about filling our heads with knowledge and facts. It's about knowing who we are, what we are designed to be and do. We radiate (or not) the gifts and callings bestowed upon us by our Creator in the lives we lead. For us, is to discover, to learn and to know our purpose and enjoy the satisfaction that comes from aligning our lives accordingly.

Life may not always be fair, but opportunities are always there. Opportunities are waiting for those of us who dare, believe, and prepare. Here is one of those opportunities. If your current educational need exceeds your financial ability; if your circumstance is unable to restrain your own motivation to be the difference; if you are interested in growing into a greater understanding of the purpose for which you were designed, then you have come to the right place. We would love to help you DREAM, BELIEVE and ACHIEVE what once may have seemed impossible.
