

SCHOOL MAY PAUSE
FOR THE SUMMER,
BUT LEARNING
NEVER STOPS.

Summer is a time to relax and recharge your batteries. But with students losing 20-30% of their math, reading and language skills, incorporating learning into your child's summer is more important than ever.

Whether you're looking to avoid the 'summer slide,' or to provide your child with enrichment opportunities, Tutor Doctor is here to support you. We build a uniquely holistic program and adapt our techniques to coincide with your student's needs.
